

15th International Conference
on Inorganic Membranes
Membranes: Efficient Separation

www.icim2018.com

June 18—22, 2018

Dresden, Germany, The Westin Bellevue Dresden

Be part of the ICIM community
Invitation

The 15th ICIM provides an unique platform for scientists and engineers to discuss the latest R&D results in the fields of **inorganic membrane science and technology** as well as **functional layers for batteries and fuel cells**.

Hosted by

Co-organized by

15th International Conference on Inorganic Membranes

Membranes: Efficient Separation

www.icim2018.com

Program

- Membrane preparation and characterization workshop
- More than 160 international high-level lectures
- PhD-speech contest and PhD-speech awards
- Poster party and poster awards
- Burggraaf honorary session
- Industrial exhibition
- Conference dinner and social program

Exhibition and sponsorship

Membrane producers, plant engineering companies as well as research institutes are invited to participate in the industrial exhibition or to engage as sponsor.

Important dates and deadlines

- | | |
|--------------------|------------------------------|
| ■ March 2018 | Final program |
| ■ April 30, 2018 | Early bird registration ends |
| ■ June 4, 2018 | Registration ends |
| ■ June 18–22, 2018 | ICIM takes place |
